

# WHAT'S NEXT?

## PRAY

Pray that God will work in the hearts of His people at Church at Ross Bridge and that we will listen with the intent to obey.

## GIVE

The primary goal of this initiative is 100% participation. That begins with your decision to listen to God and make a sacrificial commitment to this *BEYOND refresh* initiative that will take your faith to a whole new level in your generosity.

## SUPPORT

We also need you to stand with us in support of this initiative and lend your influence of others to do the same.

## CELEBRATE

God is continuing to do amazing things through the *BEYOND refresh* initiative. Let's be poised and ready to celebrate all of these in a big way!

Glory to God, who is able to do far *BEYOND* all that we could ask or imagine by his power at work within us; glory to him in the church and in Christ Jesus for all generations, forever and always. Amen.

# Our **BEYOND** Vision

We are now one year into **BEYOND**, our two-year generosity initiative (May 2023 - May 2025) that is enabling us to reach and lead even more people to Belong to, Believe in, and Become like Jesus Christ. Through **BEYOND refresh**, we will continue to fund our ministry plan for the next year while also offsetting the cost of our new construction. Through us, God will continue to do **BEYOND** what we can ask or imagine!

# What is **BEYOND refresh** About?

## Greater Ministry Impact - \$1,000,000 (\$2,000,000 total for two-year initiative)

Our calling as a church is to continue the ministry of Jesus in our community and the world. The first part of our **BEYOND refresh** initiative is to fund our ongoing ministry for the next year so that we can continue to accomplish even more than we have before. We can have an even greater spiritual impact through the ministries of our church **BEYOND** what we are doing now if we allow God to do it through us.

## New Construction - \$750,000 (\$1,500,000 total for two-year initiative)

The second part of our **BEYOND refresh** initiative is to help fund our new construction. Phase 1a of this project has begun and will enable us to begin using our property for ministry and prepare for construction of our new sanctuary, Phase 1b. Our new facility will enable us to have a spiritual impact both in the lives of those within our church and those **BEYOND** our walls for generations to come.  
(We will retain our current building for our Children and Student Ministries).

# Our **BEYOND refresh** Goals for Year Two

## Our PRIMARY Goal - 100% Participation

For 121 years, through the sacrificial generosity of our church members, God has made an impact in the Birmingham community and **BEYOND**. We want every person who considers Church at Ross Bridge their church home to make commitment to **BEYOND refresh**. As we respond together, we believe God will enlarge our faith and our ministry impact will grow!

## Our GIVING Goal - \$1,750,000 this year (\$3,500,000 total for two-year initiative)

We have trusted God to move through us to invest \$3.5 million over the past year and into the final year of our two-year initiative to accomplish the vision HE has given us.

- Greater Ministry Impact - \$1,000,000

Our first **BEYOND refresh** initiative goal is to fund our ongoing ministry for the next year so that we can continue to grow in our service to our church family and our community both here and in the world at large.

- New Construction - \$750,000

Our second **BEYOND refresh** initiative goal is to help fund the construction of a new sanctuary, of which Phase 1a is under way. This new facility will make a spiritual impact both in the lives of those within our church and those **BEYOND** our wall for years to come.

**We can do this...but we can only do this together with God's help!**
